100% Academy Pass Rates for FY 2009

There are great things happening across Texas, and one of them is an achievement by many of its law enforcement training academies. The following is a list of academies that achieved a 100% pass rate on first attempts during Fiscal Year 2009. Every single individual from these academies who took our licensing examination from September 2008 through August 2009 passed on their first try! Several other academies missed a perfect first-attempt pass rate by only one or two exam-takers. Congratulations, and thanks for the hard work!
